K2700

KIA MOTORS
The Power to Surprise™

the power to surprise

At Kia, we pride ourselves on being able to surprise our customers with a range of extras that others just don't offer as standard. We make great cars that deliver more of what you want at every stage of the car buying and owning process.

If you are looking for innovative design, impressive performance and dependable quality, look for Kia. We're committed to consistently exceeding expectations and this has made us the fastest growing car company in Europe.

Kia gives you more of what you want.

want strength

working hard

Kia K2700 is Australia's most versatile light truck: built to perform, built to last. Get to work fast with the 2.7 litre diesel engine – great fuel economy that can also deliver 164Nm of torque at 2400rpm. With a cargo deck over 3m long and 1.6m wide you've got plenty of room for a payload up to a massive 1000kg*. Expertly tuned suspension and an advanced braking system provide superb manoeuvrability whatever your load.

*With tray weight of 140kg (tray shown optional at extra cost).

want comfort

workplace safety

To ensure your safety while hard at work, the K2700 is built tough with a reinforced frame, ventilated disc brakes and a wide impact absorbing bumper. It also features two ELR 3 point seat belts with seatbelt warning light, folding door-mounted side mirrors, height leveller adjustable headlights and central locking with keyless entry.

practical comfort

Making your working day that much easier, the K2700 has a host of convenient features as standard. The comfortable modern interior boasts ergonomic seating with adjustable head and back rests along with advanced noise reduction to make every journey a pleasure. Air-conditioning, power windows and steering, cup holders and CD stereo system help take the fatigue out of long haul journeys. The middle passenger seat conveniently folds down to provide a storage area with clipboard and drink holders. It's all the extras that make the K2700 such great value.

*K2700 accessories available at extra cost.
